Memorandum

94 LA

TO : Assistant Director for Operations

DATE: 9 August 1963

FROM : Chief, Foreign Documents Division

SUBJECT: FDD Monthly Progress Report - July 1963

1. Chief, FDD attended the ADP committee meeting on 9 July at which the IBM lease proposal for an Automatic Language Processing System was approved. The system combines Stenowriter and machine-aided translation facilities. The proposal currently awaits the action of the Comptroller.

2. In a meeting with Lt. Col. C. A. Hughes, Jr. of Foreign Technology Division and Major Smith, Air Force MT Project Officer, Chief, FDD obtained general agreement for cooperative use of the Air Force's AN/GSQ-16 machine for Russian translation. FTD expects the machine to arrive at Wright Patterson Air Force Base near the end of August and to be in operation sometime later in October or November. FDD has indicated that it would like to obtain about [redacted] words per day of machine translation from FTD; FDD would prepare all the input on tape and after receiving the machine output from FTD would post-edit this output [redacted]. The training initially of two or three FDD personnel as Cyrillic flexotypists for proper preparation of the input tape will be provided by FTD.
